Mutt Strut Paw Print Sales

Use these Mutt Strut Paw Prints for your fundraising and you are sure to be a success!

- 1 Printing.** Print, in color, from your home computer or take copies to your local printer. Once printed cut in half. Also print a flyer to be posted describing to sponsors what this is about. There are a few sample flyers available from the Mutt Strut Fundraising Tips page.
- 2 Sales.** Identify a location that will sell your Mutt Strut Paw Prints in support of your fundraising campaign. Provide a stack of each. We suggest the following prices; black for \$1, silver for \$5, and gold for \$10. Ask that they be displayed in windows, etc. Note: In case sponsors(min \$5) would like a receipt, leave a pledge collection form for entering sponsors information.
- 3 Collect.** Check back weekly to collect your pledges. Leave an envelope that can be used to hold your pledges during the week.
- 4 Thank You.** Thank them profusely for supporting your fundraising efforts. Send them a thank-you note and consider including a certificate of support.
